The petition alleges the Defendant violated the terms of his supervision in the following instances:

**Violation Number 1: Violation of Mandatory Condition No. 1:** The defendant shall not commit another federal, state, or local crime during the time on supervision

At the hearing, Defendant pleaded TRUE as to violation numbers 1 and 2. Additionally, the petition contained a sufficient factual basis to support the violations.

2. The Defendant was competent to make the decision to enter a plea of TRUE as to the allegations underlying violations 1 and 2.
3. The Defendant had both a factual and rational understanding of the proceedings against him.
4. The Defendant did not suffer from any physical or mental impairment that would affect his ability to fully understand the charges against him or the consequences of his plea.

5. The Defendant has not had any injury that would affect his judgment in entering a plea or that would affect his understanding of the basis, consequences, or effect of his plea.
6. The Defendant was sane and mentally competent to stand trial for these proceedings.
7. The Defendant was sane and mentally competent to assist his attorney in the preparation and conduct of his defense.
8. The Defendant received a copy of the petition naming him, and he either read it or had it read to him.
